Bajan Bride comes to CBCTV

A NEW BRIDAL PROGRAMME that will take viewers through the planning of a real Barbadian wedding and even give them front row seats to the wedding ceremony itself comes to CBCTV on Sunday.

Bajan Bride will be shown weekly on Channel 8 Sundays at 6:30 p.m., compliments of Cave Shepherd, Harrisons and Colombian Emeralds.

Viewers will accompany the couple

as they select their engagement and wedding rings, as well as their gift registry items and wedding attire.

Each month for the next four months, a couple will also win a free makeup and hairdo package for the bride, and skin care products for the groom in Bajan Bride.

The 30-minute show is to keep viewers, particularly those involved in wedding planning, abreast of trends.
